Data

ROOT-GETTER - Sewer Line Cleaner

Use in mains, 4" lines, lift stations, skimming sumps.
Water-soluble, generates a controlled but powerful heat.
Dissolves grease, removes roots and organic materials.
Cost effective and fast action.

Specific Gravity: 1.1 Ph (1% solution): 13.5

Use directions:

Main Lines: use 1 or 2 pails to clear obstructions.

Lift Stations: 5 lb. and up to remove grease build-up.

Skimming Sumps: 4-5 lb., let work, and then flush through.

4" Lines: use 1 lb. Let work 30 min. Flush with water.
